

## Reverse Phone Number - VoIP Service

by Noah W - Saturday, August 08, 2009

<https://www.searchbug.com/info/reverse-phone-number-voip-service/>

As technology grows VoIP (Voice over Internet Protocol) Numbers are becoming more and more common. People are switching to VoIP to save money on their monthly bills. Private investigators are now able to search for the names and addresses associated with VoIP phone number service.

If you are an individual, an attorney, collection agency or other industry professional and need to obtain the name and address (reverse phone number) for a VoIP line, please review our [reverse phone search for VoIP service](#). It will save you a lot of time and money looking for a professional that knows how to do this properly.
